Whitebox Retail Logistics

2007, we provide scalable end-to-end logistics solutions for multi channel retailers, distributors and brand owners. Our solutions provide for high-pick high-speed order fulfilment with real time inventory and order management. With a track record of performance, we pride ourselves with industry leading service levels. Our mantra of speed and accuracy comes with an outstanding record of 0.5% discrepancy on inventory under management, and 100% next day deliveries. Whitebox is the little secret that can drive your operations to the next level.

Selling on Amazon, couldn't be easier. From import on behalf, FBA Prep, delivery to FBA, done with experience and finesse. Work with a vendor who understands your need to maintain a balanced IPI score. With storage facilities that mirror FBA, you have the flexibility to manage your fast and slow moving inventory optimally. Beyond Amazon, grow your sales through retail, wholesale and distribution channels in Singapore and around the region. With our proprietary cloud platform, have your team move and manage your sales, orders and inventory, with real time data and a choice of language interface, in your time zone.
