IMDb Announces the Most Anticipated Movies of 2024

SEATTLE—January 4, 2024—IMDb (www.imdb.com), the world’s most popular and authoritative source for information on movies, TV shows, and celebrities, today unveiled the most anticipated movies of 2024. Rather than base its annual rankings on small statistical samplings, IMDb determines its list of the most anticipated movies by the actual page views of the more than 250 million monthly visitors to IMDb. This exclusive and definitive data is derived from the IMDbPro MOVIEmeter rankings, which are updated weekly throughout the year.

“This year is packed from start to finish with highly anticipated movies, and entertainment fans have been eagerly learning more about upcoming titles on IMDb and adding them to their Watchlist,” said Nikki Santoro, IMDb chief operating officer. “Fans are particularly excited for new chapters and reimagined versions of beloved stories and series, including Dune: Part Two, Joker: Folie à Deux, Beetlejuice 2, and Mean Girls, with new storylines like Argylle and Madame Web also poised to break out in 2024.”
