LOS ANGELES — February 25, 2021 — IMDbPro (www.imdbpro.com), the essential resource for entertainment industry professionals, has added thousands of searchable cast and crew notices through Staff Me Up, Casting Calls America and Crew Calls America. With these new providers as well as notices posted directly on IMDbPro and existing relationships with Casting Networks and Direct Submit (formerly NYCasting), IMDbPro now offers one of the largest selections of cast and crew notices available anywhere.

IMDbPro members can access cast and crew notices for more than 30 job categories including actor, writer, director and editor at imdbpro.com/jobs, from the “Jobs” header in the site toolbar or via the “Jobs” tab on the IMDbPro app for [iPhone](#), [iPad](#) and [Android](#). Members can quickly and easily discover the most relevant opportunities by searching and filtering notices by location, production type and more. In response to member feedback on the impact of COVID-19, IMDbPro has added the ability for members to search for work-from-home opportunities. Once they find a role to apply to, they are taken to the service to complete their submission.

“We’re on a mission to make IMDbPro the essential destination for entertainment industry professionals,” said Matt Kumin, Head of IMDbPro. “Today’s announcement supports IMDbPro’s ongoing commitment to meeting the needs of customers seeking to discover new opportunities, pursue their professional aspirations and advance their careers.”
