IMDb Reveals the Most Popular Indian Movies and Web Series of 2023 (So Far)

Pathaan and Farzi top the lists, as determined by the page views of IMDb users worldwide

MUMBAI, India—July 13, 2023—At the midpoint of 2023, IMDb (www.imdb.com), the world’s most popular and authoritative source for information on movies, TV shows, and celebrities, unveiled the 10 Indian movies and web series that are most popular with IMDb users worldwide in 2023—so far. IMDb determines these lists by the actual page views of the more than 200 million monthly visitors to IMDb.

“It’s interesting to see theatrical and direct-to-streaming releases competing for popularity in the same list, pointing to an evolving distribution reality in the last few years,” said Yaminie Patodia, head of India, IMDb. “We will continue to use our exclusive data to amplify and celebrate Indian stories and creators that resonate with our entertainment fans worldwide, while helping them discover and decide what to watch.”

Most Popular Indian Movies of 2023 (So Far)
