

## **The IMDbboat Sets Sail for Comic-Con with Host Kevin Smith, Celebrities, Top Brands, and the Launch of IMDb Ticketing, Powered by Atom Tickets**

***IMDb's coverage of San Diego Comic-Con 2017 includes: exclusive interviews with top celebrities; a star-studded live show (IMDb LIVE at San Diego Comic-Con, Presented by XFINITY) that will be broadcast on IMDb, Twitch, and Twitter; and the second-annual IMDbboat Party***

***Select fans will have early (beta) access to play the not-yet-released Call of Duty WWII in The IMDb Fan Lounge on #IMDboat; IMDb street teams will be giving swag bags with special offers to fans on the streets of San Diego***

SAN DIEGO, CA, July 17, 2017 -- IMDb, the world's most popular and authoritative source for movie, TV and celebrity content, today announced that for the second year in a row, writer/director/podcaster Kevin Smith will host three days (July 20-22) of original celebrity video interviews, the IMDbboat party, a 90-minute live show (*IMDb LIVE at San Diego Comic-Con, Presented by XFINITY*) and other exclusive convention coverage aboard the IMDbboat (#IMDboat) at San Diego Comic-Con® International 2017. Celebrities who are scheduled to appear include the casts of *Arrow*, *Doctor Who*, *The Flash*, *Vikings*, *The Walking Dead*, *Preacher* and more.

IMDb's expanded Comic-Con 2017 presence includes the following: the addition of a massive LED screen located on the back of IMDbboat so that fans on the street can watch live as Kevin Smith interviews leading celebrities; IMDb street teams who will give away swag bags to fans at Comic-Con; and more off-boat editorial coverage, such as breaking news from the Convention Center floor, trending stories and daily recaps.

"IMDboat was the epicenter of Comic-Con 2016 and I'm excited to be the sweaty, sunburnt master of ceremonies again this year, talking with some of my favorite stars and filmmakers on the top deck," Kevin Smith said.

"For the second year in a row, IMDb will create unique, multi-platform Comic-Con coverage that celebrates, chronicles and broadcasts the action from the world's biggest celebration of fandom," said Rob Grady, IMDb's COO. "IMDboat is a floating video set for interviews and coverage, a hub for exclusive fan experiences and sponsor activations, an oasis for talent and an industry meeting and networking space. Our goal is to create unique experiences that make IMDb an even more engaging daily destination while empowering hundreds of millions of IMDb customers all over the world to virtually attend Comic-Con."

### **About IMDbboat at San Diego Comic-Con 2017**

IMDboat, which is accessible by invitation only, will serve as a gateway to top entertainment brands and properties including Comcast's XFINITY, Activision's *Call of Duty WWII*, EuropaCorp's *Valerian and the City of a Thousand Planets* distributed by STXfilms, LEGO® Star Wars™ and Amazon Rapids by creating a must-stop destination for talent, industry VIPs and fans. The boat will be docked at Fifth Avenue

Landing, immediately behind the San Diego Convention Center, and opens to invited guests on Thursday, July 20.

Events on and around the IMDbboat at Comic-Con include:

- From Thursday through Saturday (July 20-22), IMDb will produce original video coverage on the open-air top deck, including Kevin Smith's interviews with the casts of *Arrow*, *Doctor Who*, *The Flash*, *Vikings*, *The Walking Dead*, *Preacher* and more.
- On Thursday (July 20) from 5:30 to 6:30 p.m. PDT in room 6A in the San Diego Convention Center, Kevin Smith will moderate IMDb's first-ever Comic-Con panel, "Kevin Smith's Comic Book Movie Trivia Mayhem Panel, Presented by comiXology and IMDb." Kevin will be joined by a panel of pop culture expert contestants (including: *Fatman on Batman's* Marc Bernardin; Julie and Shawna Benson, writers of The CW's *The 100*; and DC Comics' *Batgirl and the Birds of Prey*) who will play a competitive round of comic book movie trivia. Col Needham, IMDb founder and CEO, and comiXology CEO David Steinberger will judge the panel, awarding points based on the creativity of the answers.
- The second-annual *IMDbboat Party, Presented by XFINITY* will take place on Friday (July 21) from 7:30 to 11 p.m. PDT. Special guests include: Kevin Smith; notable celebrities; industry influencers; IMDb, Amazon Studios, Amazon Rapids, XFINITY, Atom Tickets, LEGO® Star Wars™, Twitch, STXfilms and SModCo executives; and more. This is an invitation-only event.
- Thursday through Saturday (July 20-22) from 2 to 4 p.m. PDT, select fans will have the opportunity to come aboard the IMDbboat to relax and unwind in the IMDb Fan Lounge as space allows. The IMDb Fan Lounge will offer fans early (beta) access to play the new *Call of Duty WWII* before it hits stores and other special experiences. While aboard the IMDbboat, fans can also get a closer look at Amazon Rapids, a children's reading app featuring illustrated short stories told through the lens of characters chatting with each other. To be eligible for entry at check-in, fans can show a social post on one of their social media accounts that features the #IMDbboat hashtag. Information about how to access the IMDbboat will also be provided by IMDb street teams as they distribute swag bags and interact with fans. Additionally, affiliate restaurants in downtown San Diego will be distributing IMDb coasters that display trivia questions. Fans who post the correct answers to these questions on their social media accounts (along with the #IMDbboat hashtag) will also be eligible for entry. Space is limited and during this time frame, fans will be admitted on a first-come, first-served basis. In addition, for the first time, convention goers can watch Kevin Smith's celebrity interviews and other exclusive IMDb Comic-Con coverage on a massive LED screen mounted to the IMDbboat (facing the Convention Center).
- On Saturday (July 22), beginning at 3:30 p.m. PDT, Kevin Smith will host *IMDb LIVE At San Diego Comic-Con, Presented by XFINITY*, a 90-minute live-streaming show broadcast on IMDb, Twitch (twitch.tv/TwitchPresents), and Twitter. The show will feature Kevin Smith's wrap-up analysis of the convention and conversations with special celebrity guests.
- To celebrate the July 1, 2017, launch of IMDb Ticketing, Powered by Atom Tickets, IMDb street teams will be in heavy circulation in San Diego, giving away swag bags to fans. In addition to other fan-favorite items, the swag bags will contain *Valerian and The City of a Thousand Planets*-themed special offer cards (including a "buy one, get one free" ticket offer or a \$5 off ticket purchase discount which fans can redeem when they purchase *Valerian and The City of a Thousand Planets* tickets on IMDb's website or mobile apps).

To follow IMDb's exclusive Comic-Con coverage, which includes breaking news, expert analysis, original celebrity interviews, trending information, a 90-minute live show, field pieces shot around the

convention (featuring fans, cosplay and top stories of the day), daily Comic-Con recaps, and more, visit <http://www.imdb.com/comic-con>, follow #IMDbboat on Twitter or visit IMDb's official Facebook (<https://www.facebook.com/imdb>), Snapchat ([www.snapchat.com/add/imdblive](http://www.snapchat.com/add/imdblive)) or Instagram (<https://www.instagram.com/imdb/>) pages. Coverage will be accessible by IMDb's more than 250 million unique monthly visitors worldwide via IMDb's website, mobile apps and social media accounts (including Snapchat and YouTube). IMDb's 2017 San Diego Comic-Con special section, located at <http://www.imdb.com/comic-con>, features preview coverage, a welcome video message from Kevin Smith, a Comic-Con events schedule and more.

### **About the Launch of IMDb Ticketing, Powered by Atom Tickets**

On July 1, 2017, IMDb (the #1 movie website in the world) and Atom Tickets (the cutting-edge mobile movie ticketing platform) launched IMDb Ticketing, Powered by Atom Tickets. Fans in the U.S. and Canada can now conveniently purchase movie tickets on IMDb.com, on IMDb's mobile optimized website and on IMDb's leading iOS and Android mobile apps.

IMDb Ticketing, Powered by Atom Tickets, offers fans the most convenient way to plan a night out at the movies. With this new service, fans can login and pay via their Amazon account, browse showtimes for movies in their area and skip the lines by purchasing tickets and preordering concessions (where available).

"We are thrilled to team up with Atom Tickets, who share our spirit of innovation and customer obsession, to offer fans our new, convenient and fun online movie ticketing solution," said Rob Grady, IMDb's COO. "The launch of IMDb Ticketing, Powered by Atom Tickets reflects our commitment to being *the* daily destination fans rely on when deciding what to watch and where to watch it. We will continue to collaborate with Atom Tickets, innovative studios and top exhibitors to provide IMDb customers with exclusive movie-going experiences and special offers tied to the hottest new releases, like our current *Valerian and the City of a Thousand Planets* nationwide promotion."

"IMDb is the global authority for everything movies, and we're honored to provide fans with a seamless ticketing experience," said Ameesh Paleja, CEO and co-founder, Atom Tickets. "Whether you're using the IMDb app, mobile site or desktop site, you're going to enjoy the fast, easy ordering process users have come to expect from Atom. We're looking forward to serving new and loyal IMDb users through the exclusive offer to see *Valerian and the City of a Thousand Planets*."

To celebrate IMDb's new movie ticketing service, Atom Tickets and IMDb are providing fans who buy tickets to *Valerian and the City of a Thousand Planets* through IMDb Ticketing, Powered by Atom Tickets (on IMDb.com or IMDb's mobile apps) with a discount of \$5 off the ticket price at participating theaters beginning on July 17, 2017. This nationwide discount will be automatically applied at checkout, while supplies last. To participate, go to: [www.imdb.com/valerian](http://www.imdb.com/valerian).

### **About Kevin Smith**

Kevin Smith first came to attention as the writer/director of a film called *Clerks*. It's been all downhill ever since.

## About IMDb

IMDb is the world's most popular and authoritative source for movie, TV and celebrity content. The IMDb consumer site ([www.imdb.com](http://www.imdb.com)) is the #1 movie website in the world with a combined web and mobile audience of more than 250 million unique monthly visitors. IMDb offers a searchable database of more than 185 million data items including more than 4 million movies, TV and entertainment programs and more than 6 million cast and crew members. Consumers rely on the information IMDb provides -- including local movie showtimes, ticketing, trailers, critic and user reviews, personalized recommendations, photo galleries, entertainment news, quotes, trivia, box-office data, editorial feature sections and a universal Watchlist -- when deciding what to watch and where to watch it. IMDb's portfolio of leading entertainment apps (<http://www.imdb.com/apps/>) includes its popular "Movies & TV" app for iPhone, iPad, Kindle Fire, Android phones, Android tablets and its mobile-optimized website. To date, there have been more than 115 million downloads of IMDb's mobile apps worldwide. IMDb's X-Ray for Movies & TV Shows ([www.imdb.com/x-ray](http://www.imdb.com/x-ray)) is a feature that revolutionizes the viewing experience by bringing the power of IMDb directly to Kindle Fire HD, Fire TV and Fire TV Stick. IMDb's Facebook page (<https://www.facebook.com/imdb>) and official Twitter account (<https://twitter.com/imdb>) are followed by more than 10 million passionate entertainment fans. IMDbPro (<http://www.imdbpro.com>) is the essential resource for entertainment industry professionals. This membership-based service includes comprehensive information and tools that are designed to help entertainment industry professionals achieve success throughout all stages of their career. IMDbPro offers members the following: detailed contact and representation information; IMDb profile management tools; exclusive STARMeter rankings that are determined by page views on IMDb; a casting service to post breakdowns and apply to roles, a mobile optimized website and more. Additionally, IMDb owns and operates Withoutabox (<http://www.withoutabox.com>), the premier submission service for film festivals and filmmakers, and Box Office Mojo (<http://www.boxofficemojo.com>), the leading online box-office reporting service. IMDb.com is operated by IMDb.com, Inc., a wholly owned subsidiary of Amazon.com, Inc. (NASDAQ:AMZN) (<http://www.amazon.com>). To learn more, go to: <http://www.imdb.com/press>.

## About Atom Tickets

[Atom Tickets](http://www.atomtickets.com) is the first-of-its-kind theatrical mobile ticketing platform. Through its patent pending recommendation and personalization technology, Atom Tickets allows consumers to search for films instantly, invite friends, buy tickets, pre-order concessions and more. Enabled on more than 16,500 screens across the U.S., the platform's innovative marketing capabilities help studios, exhibitors and brands maximize revenue opportunities. Atom Tickets is available as a free app in the [Apple App Store](http://apple.com/appstore) and the [Google Play Store](http://google.com/playstore) and online at [atomtickets.com](http://www.atomtickets.com). For detailed information about participating theaters, go to: <https://www.atomtickets.com/browse/theaters>.
