

## Internet Movie Database launches IMDb.de, a German Language Website Offering Comprehensive Information for Movie and TV Fans

SEATTLE--(BUSINESS WIRE)--Nov. 6, 2008--IMDb.com, Inc., the authoritative source of information on movies, TV and celebrities, and a subsidiary of Amazon.com, Inc. (NASDAQ: AMZN), today announced the launch of its German language Website, [www.imdb.de](http://www.imdb.de). IMDb created the IMDb.de site specifically to help German-speaking movie and TV lovers easily find information for their favorite films, TV shows and celebrities. Like its parent site IMDb.com, IMDb.de features details and facts for over 1.3 million titles, including 35,000 German titles and 2.7 million celebrities.

"Our customers have asked us to make IMDb Websites available in their local language. Today, we're happy to start fulfilling this wish with a Website created for German speakers," says Colin Bryar, vice president, IMDb.com. "The site will offer our most popular features, and we plan to add even more content in the future."

Unique IMDb.de features include the ability to search for movies in any language and view the results in German. Visitors can also get instant access to additional English data on IMDb.com. DVDs, music and related products can easily be purchased from Amazon.de as well as all other Amazon sites. IMDb.de is completely free of charge to all users and will offer help and customer support in German.

### About IMDb.com

The Internet Movie Database ([www.imdb.com](http://www.imdb.com)) is one of the most popular online entertainment destinations, with over 57 million unique visitors each month. IMDb offers a searchable database of over 1.3 million movies, TV and entertainment programs and over 2.7 million cast and crew members, making it the Web's most comprehensive and authoritative source of information on movies, TV and celebrities. Users can watch thousands of full-length TV episodes and movies for free. IMDb features include cast lists, photographs, quotes, trivia, reviews, box-office data, celebrity biographies, coverage of film festivals and major events, and streaming trailers. IMDb also offers IMDbPro ([www.imdbpro.com](http://www.imdbpro.com)), a site designed specifically for entertainment industry professionals, and IMDb Resume ([www.imdbresume.com](http://www.imdbresume.com)), a service that enables actors and crew members to promote themselves directly to IMDb's audience of movie lovers and movie professionals. IMDb.com is operated by IMDb.com, Inc, a wholly owned subsidiary of Amazon.com, Inc. (NASDAQ:AMZN) ([www.amazon.com](http://www.amazon.com)).
