You can complete your registration with Amazon Shipping by clicking [here](#)*!

These rates** will apply to Selling Partners that ship a minimum of 50 parcels per day with Amazon Shipping. Your daily parcel volume is calculated as a total of any speeds (Next-Day and Two-Day) as well as On-Amazon and Off-Amazon volume that you ship with Amazon Shipping.

Selling Partners planning to deliver more than 200 parcels per day can negotiate rates with Amazon Shipping's sales team during the registration process.

**Subject to eligibility. Eligible shippers must agree to Amazon Shipping Terms and Conditions and Shipping policies.*

*** For breaches of Amazon Shipping terms & conditions or policies or for certain package types you may be subject to Amazon Shipping Accessorial Charges. For definitions, please refer to [the Amazon Shipping Service Guide](#). Rates can be found below.*
