Amazon Handmade Reclassification Status

Updated as of 10/30/2025

As we reclassify Amazon Handmade products, we'll be providing updates every two weeks to keep you informed on progress. Handmade has the following product types, which will all be reclassified: GUILD_ACCESSORIES, GUILD_APPAREL, GUILD_ART, GUILD_BABY, GUILD_BEAUTY_GROOMING, GUILD_HOME, GUILD_JEWELRY, GUILD_PET_SUPPLIES, GUILD_SHOES, and GUILD_TOYS_AND_GAMES.

Please review the lists below. The first column is Marketplace, the second column is Product Type, the third column is Browse Nodes, and the last column is Status (reclassified, or not reclassified).

To date, some **US Marketplace** Handmade **Product Types** (GUILD_ACCESSORIES, GUILD_APPAREL, GUILD_ART, GUILD_BABY, GUILD_BEAUTY_GROOMING, GUILD_HOME, GUILD_JEWELRY, GUILD_PET_SUPPLIES, GUILD_SHOES, and GUILD_TOYS_AND_GAMES) and corresponding **Browse Nodes** *have been reclassified.* We have also noted the corresponding **Browse Nodes** *that have not been reclassified and are next to be completed*.

If you do not see your **Marketplace** (CA, MX, UK, FR, ES, IT, or DE) and/or **Product Type** on either, it will be migrated at a future date. We'll continue updating this list to help you stay informed.
