Liu shared some of the actors and filmmakers who have inspired his career, saying, "We're living in a very exciting time for Asian and Pacific Islander filmmakers. Even five years ago the industry landscape was very different; the opportunities did not exist to cultivate the richness of storytelling that we're seeing today in Lee Isaac Chung, Lulu Wang, Justin Chon, Kogonada, Destin Daniel Cretton, Jon Chu, James Wan, Justin Lin, and so many others," said Liu. He also commented, "Films such as *The Farewell*, *Minari*, and *After Yang* shine an honest light on the Asian American experience, one that is often overlooked in Hollywood. I've been personally inspired by these films to be a champion of our stories and to help amplify the important voices in our community." IMDb users can add the TV series and films from Liu's IMDb filmography, as well as other titles, to their IMDb Watchlist at www.imdb.com/watchlist.
