4 Order your medications

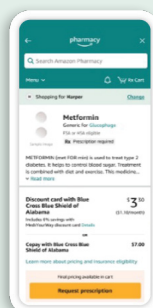

1 Amazon Pharmacy displays available prices for members, including the MedsYourWay discount², administered by Inside Rx.

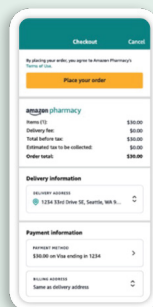

This discount goes towards your out-of-pocket maximums and deductibles for covered purchases.³

2 Once your prescription is ready to be ordered you will receive a notification that it's time to checkout at Amazon Pharmacy.

3 You'll be guided through the checkout process and submit your payment.

4 You'll get a delivery date promise, so you'll know when your medication will arrive. And get updates along the way.

¹ Amazon Pharmacy does not dispense Schedule II controlled substances.

² MedsYourWay prescription discount card and Inside Rx, LLC ARE NOT INSURANCE. You are responsible for the cost of prescription(s) when using the card. Terms and limitations apply. I agree to the Privacy Policy and Savings Card Terms of Use.

³ If your medication has an unfulfilled requirement, the cost may not count towards your out-of-pocket maximum. Refer to the coverage terms of your specific plan. The discount card price may not count toward the deductible and/or out-of-pocket maximum for Medicare members.
