

MADE IN GREEN by OEKO-TEX®

PRODUCT TYPES

- › Garments (e.g., shirts, trousers, workwear)
- › Home textiles (e.g., towels, duvets, pillows)
- › Mattresses
- › Leather products (e.g., garments, finished and semi-finished leathers)
- › Textile and leather accessories

MINIMUM CRITERIA

End products

For end products to be awarded the MADE IN GREEN label, the following criteria must be met:

- › The labelled product is tested for harmful substances and certified according to STANDARD 100 or LEATHER STANDARD by OEKO-TEX®.
- › All the making up facilities have been certified according to STeP by OEKO-TEX®.
- › A single component that equals or exceeds 5% of the total weight of the product as well as at least 85% of the total weight of the product has been supplied by STeP certified production facilities. This concerns only wet/chemical processes (excluding wet spinning processes).

Semi-finished products

Semi-finished products sold to companies within the supply chain can also receive a MADE IN GREEN label if the following criteria are met in addition to those for end products:

- › The MADE IN GREEN label owner is certified according to STeP by OEKO-TEX®.

PROCESS

Step 1: Register for MADE IN GREEN at www.oeko-tex.com for receiving access to the myOEKO-TEX® platform

Step 2: Use the Supplier Management Tool on the myOEKO-TEX® platform to connect with your suppliers and visualize your entire supply chain

Step 3: Define your articles and related components in the MADE IN GREEN dashboard

Step 4: Create and download your MADE IN GREEN label in the dashboard. This entitles you to label your products with the MADE IN GREEN label and to use it for advertising purposes

COSTS

A MADE IN GREEN label can be obtained free of cost. Product certification according to STANDARD 100 by OEKO-TEX® and facility certification according to STeP by OEKO-TEX® is a prerequisite.

VALIDITY

The MADE IN GREEN label is valid for 1 year. Products manufactured during the validity period of the MADE IN GREEN label can still be checked for 5 years in the OEKO-TEX® Label Check on www.oeko-tex.com
