

Terms and Conditions

1. With VAT Services on Amazon you can complete your VAT registration, filing and submission in Seller Central for up to 6 countries - UK, Germany, France, Italy, Poland and the Czech Republic. Amazon works with global tax agent Avalara Europe Ltd (“Avalara”) who provides the tax compliance services with VAT Services on Amazon. VAT Services on Amazon does not support VAT filings in the country of your place of establishment.
2. Amazon will rebate Avalara’s subscription fees of €400/country/year for the first year of subscription in respect to the countries you select during the VAT Services on Amazon registration.
3. We may stop offering this promotion at any time by the withdrawal of the offer text. Amazon will not be obliged to place a notice or otherwise notify of the promotion’s withdrawal.
4. Participation in VAT Services on Amazon is subject to the Amazon Services Europe Business Solutions Agreement, its policies and [Amazon’s EU VAT Services Online Agreement](#).
5. You can terminate your VAT Services on Amazon programme subscription after the 1-year period.
6. If during the first subscription year your Amazon selling account, your Avalara Agreement or your EU VAT Services Online Agreement is terminated for your breach, you authorize Amazon Services Europe Sarl and its affiliate Amazon Payments Europe s.c.a. to charge an amount equivalent to the promotion benefit (total amount rebated at time of registration) in accordance with Amazon’s EU VAT Services Online Agreement.
7. Tax compliance services are provided by external tax agent Avalara Europe Ltd and are subject to [Avalara’s terms and conditions](#). If you elect to retain Avalara as your tax agent, you will be contracting directly with them, who will be providing services to you at your direction. Amazon does not provide tax advisory or compliance services.
