

Please find below the steps to ship parcels to Amazon EU through DPD Estonia

If you ship **less than 10 parcels a month** to Amazon EU Fulfilment Centres, please follow the below process.

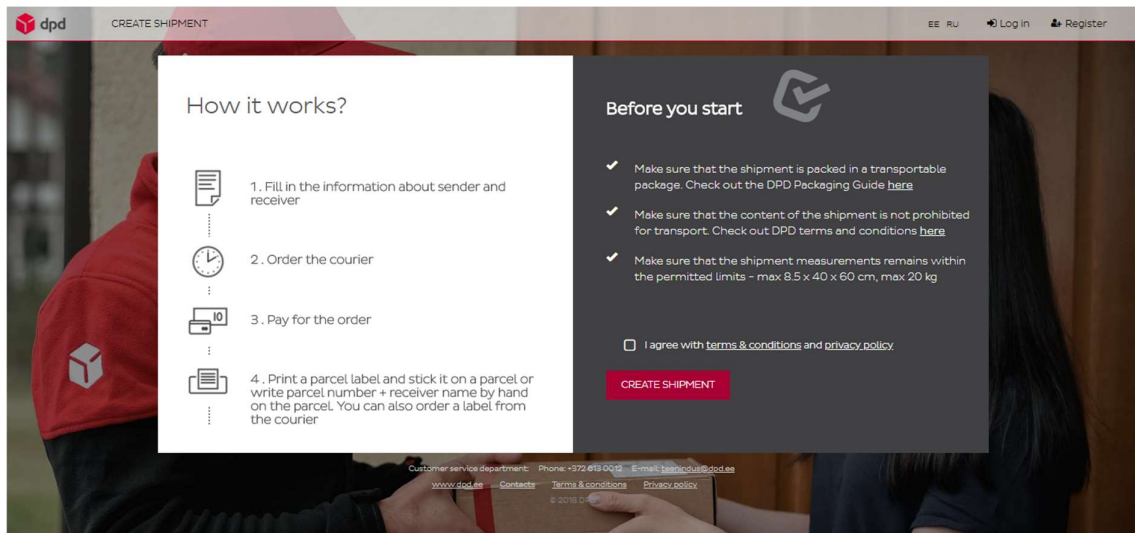

1. Visit the DPD EE web portal <https://telli.dpd.ee/> and enter your address in the 'From' section and the Amazon fulfilment centre address (specifically postcode) in the 'To' section

2. You will then be shown discounted prices and options on how to send your parcel to DPD (drop off or courier pick-up)

3. You will need to tick the box to agree with DPD terms and conditions and privacy policy

- You will then need to enter the detailed sender and receiver data (the Amazon fulfilment centre postcode is required).
