### API-1 Description of the Selling Partner APIs

Under the Selling Partner API Terms, you may authorize parties who (a) develop Applications to support you using the Selling Partner APIs or the API Materials, (b) have registered with us as Developers, and (c) who have agreed to the Marketplace Developer Agreement ("Developers") to access Confidential Information and Your Materials via the Selling Partner APIs provided in each case that where Confidential Information is disclosed to Developers you shall remain liable for the acts or omissions of such Developers as if such acts or omissions were your own. If you wish to use the Selling Partner APIs directly or develop software or a website that interfaces with the Selling Partner APIs or the API Materials (an "Application"), you must register as a Developer.

We may make available Selling Partner APIs (including the Marketplace Web Services APIs) and software, data, text, audio, video, images, or other content we make available in connection with the Selling Partner APIs, including related documentation, software libraries, and other supporting materials, regardless of format (collectively the "API Materials") that permit your systems to interface with certain features or functionality available to you.
