

Using Hyperwallet with Amazon

Hyperwallet is working with Amazon to make local currency disbursements in your country. Hyperwallet is a regulated money services business and a licensed money transmitter in Canada, the United States, [the United Kingdom](#) and the European Union, and is a financial services licensee in Australia. Please see [here](#) for the most up-to-date licensing information from Hyperwallet. Receive disbursements of your Amazon sales into your Hyperwallet deposit account and transfer them directly to your local bank in your local currency.

Supported countries/regions and currencies are listed below.

Country/Region	Currency

United Arab Emirates	United Arab Emirates Dirham
Vietnam	Vietnamese Dong

To start receiving disbursements in your local currency, apply for a Hyperwallet account via Seller Central using the instructions below:

1. Log in to Seller Central.
2. Choose **Settings** and click **Account Info**.

3. On the **Seller Account Information** page, go to the **Payment Information** section and click **Bank Account Information**.
4. Click **Replace deposit method** if a bank account is already registered, or **Assign**.
5. Select the country of your bank account in the **Bank Location** drop-down menu.
6. Click **Sign up for Hyperwallet** to apply for a Hyperwallet deposit account. You will be re-directed to Hyperwallet's website, where you can apply for a Hyperwallet account using your Amazon Seller credentials.

For the UK Marketplace, if you already have a Hyperwallet account, return to Seller Central, select **United Kingdom** as the Bank Location Country and enter the deposit account details that Hyperwallet has provided to you.

If you have questions about your bank account information in Seller Central, see our Help page on [Bank Account Information](#). For questions about your Hyperwallet account, see [here](#) (available in English, Mandarin, French, Japanese, Korean, Spanish and Japanese).

Important: Through this Seller Central page, sellers can access foreign-exchange services provided by a third-party payment service provider, Hyperwallet. If you choose to use these services, you will contract directly with Hyperwallet. Amazon cannot arrange for you to acquire services from Hyperwallet. Your use of Hyperwallet's services is subject to their [terms and conditions](#). Make sure to understand your rights and obligations under those terms.
