Your Seller Fulfilled Prime Carrier – Royal Mail

With Seller Fulfilled Prime, you can deliver Prime orders directly from your own warehouse while using Amazon's approved carriers. The approved carrier will collect and deliver your Prime orders to customers next day across the UK.

Royal Mail

Royal Mail is available to all sellers that already use, or have qualified for, a Royal Mail Business Account. Royal Mail Tracked24[®] and Tracked48[®] services are mandatory when shipping for Seller Fulfilled Prime orders.

Pricing Structure

When using this carrier with SFP, you will use your established rates that you have already negotiated with Royal Mail for Tracked24[®] and Tracked48[®] services. These rates will be visible to you in Buy Shipping within Seller Central.

Carrier Benefits

Both your rates and package volumes are agreed between yourself and Royal Mail, giving your business more visibility and control over shipping pricing.

Carrier Requirements

- You must have a Business Account with Royal Mail with fixed yearly contracts for the Tracked24[®] and Tracked48[®] services
- Maximum package size: 61 x 46 x 46 cm, 20kg.
- No minimum order volume on Amazon to get set up
- Collection from one posting location
- Royal Mail does not carry Hazmat or Lithium Batteries; Royal Mail considers alcoholic liquids with less than 70% ABV as a restricted good
