Smartish Gripmunk User Manual

Welcome to the Grip Life

Thanks for grabbing the Smartish Gripmunk—your iPhone’s new bestie. This slim, grippy little case is here to protect your phone without adding any extra junk in the trunk.

What's in the Box?

- 1x Smartish Gripmunk Case (MagSafe Compatible)
- Microfiber Interior (ooh fancy)
- Anti-Yellowing Material (bye, gross tint)

How to Set It Up

Step 1: Slide your iPhone into the case.

Step 2: That’s it. You nailed it.

Features & Tips

- MagSafe Compatible: Snaps to chargers & accessories like magic.
- Grippy Texture: Won’t slip through your fingers like your ex.
- Slim Profile: Adds just 2mm of sleek protection.
- Microfiber Lining: Treats your phone like royalty.
- Raised Bezel Edges: Like tiny shields for your screen.

FAQs

Q: How thick is the case?

A: Super slim—only 2mm added thickness. Your pocket won't even notice.

Q: Does it come with a screen protector?

A: Nope. But those raised edges are like bodyguards for your screen.

Q: Will it mess with my signal?

A: Never. We like strong signals and we cannot lie.

Need Help?

We got you. Hit us up at support@smartish.com and our Texas-based team will make things right (or at least make you laugh).

Thanks again for being awesome and choosing Smartish. Now go forth and grip on!
