

EU Data Act Transparency Statement

RingConn Smart Ring

1. Manufacturer / Brand Owner

Company Name : Shenzhenshijiu zhizhihui keji youxiangongsi
Contact Email: amazon.us@ringconn.com

2. Product Identification

Brand: RingConn

Model / Product Name: RingConn Gen 1 Smart Ring / RingConn
Gen 2 Smart Ring / RingConn Gen 2 Air Smart Ring

3. Data Processing Transparency

The RingConn Smart Ring collects, processes, and transmits certain categories of data required for its core functionality. RingConn confirms that all data processing activities follow the requirements of the EU Data Act (Regulation (EU) 2023/2854).

4. Categories of Data Collected

- Device operational data (e.g., battery level, firmware status)
- Physiological sensor data (e.g., activity, motion, temperature-related indicators)
- Usage and interaction data required for device operation

5. Purpose of Data Processing

Data is processed exclusively for the following purposes:

- Providing core health and activity monitoring functions
- Enabling Bluetooth connectivity and synchronization
- Improving device accuracy, safety, and performance
- Supporting diagnostics, troubleshooting, and updates

6. Data Sharing and Access

RingConn does not share device-generated data with third parties except:

- Essential service providers supporting device functionality (e.g., cloud infrastructure)
- When legally required under applicable EU law

7. User Rights Under the EU Data Act

Users have the right to access data generated by their RingConn Smart Ring and may request data portability. RingConn provides a mechanism for users to request access or export their data.

8. Data Access Request Process

Users may request access via:

Email: support@ringconn.com

Official Portal (if applicable): <https://www.ringconn.com>

9. Additional Documentation

Further data handling details can be found at:
