

WOBBLE WAG GIGGLE[®]

GLOW IN THE DARK

Instructions

INTRODUCTION

Your dog will love the Wobble Wag Giggle[®] Glow In The Dark Ball. The secret is the 3 tubes inside the ball that let out sounds when rolled or shook. The 6 clutch pockets in the ball allow your dog to pick it up. Best of all, the ball requires no batteries.

Now with Wobble Wag Giggle[®] Glow In The Dark Ball, Dogs can play any time during the day as well as nights.

Make sure you read all instructions and warnings on this sheet prior to using your Wobble Wag Giggle[®] Glow In The Dark Ball. Keep this instruction sheet for future reference.

This ball is designed for play and is NOT a chew toy. NO part of this toy should be ingested as regurgitation or intestinal problems such as blockage could result.

Note: If you believe your dog ingested a portion of this toy, immediately take the toy away and contact your veterinarian for advice.

PLAYING WITH THE WOBBLE WAG GIGGLE[®] BALL

Just a nudge from their nose and off it goes!

As the ball wobbles, it makes engaging "play with me" sounds.

The sounds engage your dog's natural curiosity and instincts to play.

CHARGING THE GLOW IN THE DARK MATERIAL

To recharge the glow in the dark material, we recommend placing the ball under light source just before each use. For quick charges shine a flashlight over the ball for 30 seconds.

CLEANING THE BALL

Rinse and clean the ball surface with warm water. Do not submerge in water. Let the ball dry completely before next use.
