

Instructions For Use

Decor Grates Inc manufactures at the highest quality standards to create long lasting decorative floor registers. Proper care and regular maintenance will help to prolong the life of these products. Listed below are the categories of our products and the care instructions:

Brass:

Can be used in any area of your house*. Can be easily cleaned or wiped with any brass cleaning agent and buffed.

*In any high humidity areas, it is recommended to coat your grate with an extra clear coat of oil based sealer to prolong the life of your grate.

Cast Aluminum:

Can be used in any area of your house*. Can be easily cared for by using a dissolver spray and a non-abrasive pad or soft brush to remove any residue.

*In any high humidity areas, it is recommended to coat your grate with an extra clear coat of oil based sealer to prolong the life of your grate.

Wood:

Can be used in any area of your house*. Can be easily wiped clean with any wood specific cleaner. In dryer areas of your home, be sure to condition the grate with a wood care product to prevent cracking and separation.

*In any high humidity areas, it is recommended to coat your grate with an extra clear coat of oil based sealer to prolong the life of your grate.

Plated:

Can be used in any area of your house*. Can be easily mopped or wiped clean with any mild household cleaner that does not contain bleaching agents. Must then be dried to prevent spotting.

*In any high humidity areas, it is recommended to coat your grate with an extra clear coat of oil based sealer to prolong the life of your grate.

Plastic:

Can be used in any area of your house. Can be easily mopped or wiped clean with any mild household cleaner that does not contain bleaching agents.
