

APEMAN Manufacturer's Warranty

www.apemans.com

In the spirit of "high quality, service, and development", with the concept of "quality products, reasonable prices, and considerate service" and the principle of responsibility and openness, APEMAN solemnly promises you:

APEMAN guarantees that the manufactured products are produced and inspected in accordance with the relevant national standards. Substandard products will never leave the factory. Guarantee strict performance and fulfillment of product warranty, and strictly enjoy the relevant regulations of professional service.

To get extra 12-month warranty, total 36 months, please contact official service team:

tc.support@apemans.com, and provide information (order number, product name).

When the camera is replaced, the warranty will still be the original camera you bought.

You may return the product after first obtaining a Return Material Authorization number and following any other guidelines.
