How do I find the right size for me?

Always Discreet liners come in regular and long lengths. Always Discreet also has pads and underwear in a range of absorbencies for your bladder leak needs. Check our size chart to find the right product for you.

Is Always Discreet scented?

Always Discreet liners have a light, fresh scent and have been dermatologically tested. They use exclusive OdorLock technology to neutralize urine odors instantly and continuously rather than just covering up odors.

We offer a range of products to suit different needs and occasions.

How is Always Discreet different from similar products?

Always Discreet Underwear offers incredible protection that hugs your curves from every angle. The RapidDry™ core turns liquid to gel to help keep you dry. Also, the Double LeakGuards help keep wetness away from edges.

How long should I wear Always Discreet before changing it?

You should change your Always Discreet liner whenever you feel it's appropriate. Many women change it after they experience a bladder leak.
