

Crochet Keychain

Care & Use Instructions

A simple guide to help keep your handmade keychain looking its best.

Because this item is handmade, slight variations in shape and stitch detail are normal and part of its charm.

How to Use

- Attach the keychain to keys, backpacks, purses, zipper pulls, or gift bags.
- Use the metal ring or clasp only for light everyday items.
- Avoid pulling, twisting, or hanging heavy objects from the crocheted portion.

Care Instructions

- Spot clean gently with a damp cloth and mild soap if needed.
- Do not machine wash, soak, bleach, or tumble dry.
- If the shape becomes flattened, gently reshape by hand and allow it to air dry fully.
- Keep away from sharp objects that may snag the yarn.

Safety & Product Notes

- This item is not a toy. Keep away from small children and pets.
- Contains small parts such as a key ring, clasp, beads, or safety eyes, depending on design.
- Colors may vary slightly due to handmade production and screen settings.
