

KEY FEATURES

- Made from a soft and sturdy air mesh, this lightweight dog harness will keep your pet cool and comfortable all day long.
- Two reflective bands on the sides of this harness enhance your pet's visibility for those early mornings and late evening strolls.
- Three security features (hook and loop fastener, buckle, and double D-Rings) work together to protect your pet.
- Comfortable shape distributes pulling pressure across your pet's chest to reduce the stress and strain on their neck.
- Simple, easy-to-wear vest-style harness that is perfect for pets who hate putting harnesses on over their heads.
