

DIRECTIONS

Rotate warmer's electrical plug, if needed. Unscrew cap from bottle and insert into warmer. Just insert the warmer unit upright into an outlet, adjust the fragrance level and enjoy the perfect amount of fragrance. When empty, replace fragrance oil bottle with Glade PlugIns® Scented Oil refills only. Do not use any other refills in Glade PlugIns® Scented Oil Warmers.

Fragrance oils may collect on warmer unit over time. To clean, remove warmer unit from electrical outlet and wipe with dry cloth. Wash hands after handling. Do not use with horizontal outlets.
