

Cleaning and Care

We get it: messes are just a part of life. Here's how to clean and care for Lovevery products.

The Play Gym

Cleaning the Activity Mat, Organic Cotton Teething Ring, and Montessori Ball

Activity Mat preparation: Remove any cards from the Learn to Focus Zone and close each of the three corner attachment straps to form a circle (this prevents snagging).

Teething Ring preparation: Untie the Crinkle Teether fabric from the ring.

Machine wash the fabric items using cold water and gentle cycle. We recommend that all fabric items be air dried.

Wood and Plastic Parts

Wipe these with a damp cloth and non-abrasive cleaner as needed.

Play Gym Care

Check regularly to ensure all attachment straps and plastic connection points are secure.

The Play Kits

Cleaning the Organic Cotton Playthings

Machine wash using cold water and gentle cycle. We recommend that all fabric items be air dried.

Cleaning the Wooden or Plastic Playthings

Wipe items clean with damp cloth and non-abrasive cleaner. We do not recommend putting items in a dishwasher or sanitizing device. Please refer to the Materials and Care Guide included with your product for further information.
