

Frequently asked questions

How is OxiClean™ with Odor Blasters Versatile Stain & Odor Remover different from OxiClean™ Versatile Stain Remover?

Both products are powerful laundry additives and cleaners for all around your home. OxiClean™ with Odor Blasters Versatile Stain Remover was developed to attack odors and contains a unique odor-neutralizing fragrance. This formula has been shown through extensive testing to neutralize odors like musty towels and body odor. OxiClean™ Versatile Stain Remover does not contain this odor- neutralizing fragrance.

How can I get the number of loads that is listed on the label of OxiClean™ with Odor Blasters Versatile Stain & Odor Remover?

OxiClean™ with Odor Blasters Versatile Stain & Odor Remover delivers the number of loads/uses indicated on the label when the powder is measured to Line A on the scoop included in the package.

Since I lost my scoop, how much product should I use?

The lines in the 4 oz. scoop are equivalent to the following:

Line A – 0.77 oz. or approx. 1 ½ Tbsp.

Line B – 1.69 oz. or approx. 3 1/3 Tbsp.

Line C – 2.54 oz. or approx. 5 Tbsp.
