

## ***Creative - Limited Hardware Warranty***

Creative Technology Ltd warrants that the retail purchased Creative-branded hardware product herein ("Product") is free of material defects in materials and workmanship ("Defect(s)") that result in Product failure during normal consumer usage for the Warranty Period, according to the following terms and conditions:

1. This limited hardware warranty extends only to the original end-user purchaser and holder of this warranty ("You" or "Your") and is not transferable or assignable to any subsequent purchaser.
2. **You must provide proof of original purchase of the Product by a dated itemized receipt to be eligible for this limited warranty.**
3. The limited warranty is **ONLY** applicable in the country or territory where the Product was purchased from an authorized retailer/reseller and excludes any product that has not been purchased as new or is obtained as a result of the purchase of a non-Creative product.
4. If a Defect arises and a valid claim is received during the Warranty Period (as provided below), Creative will at its sole option, service the Product at no charge using new or refurbished replacement parts at our sole discretion. Please note that:
  - a. The limited warranty for the Product is for **twelve (12) months** (for the European Union, twenty-four (24) months (excluding all wear and tear), subject to certain exceptions as stated in the EU Directive 1999/44/EC\*\*) from the date of Your purchase ("Warranty Period"). The Warranty Period will be extended by each whole day that the Product is out of Your possession for repair under this warranty.
  - b. Creative will cover the labor charges incurred by Creative in repairing or replacing the defective parts during the Warranty Period from the date of Your purchase.
  - c. You will not have to pay for any such replacement parts.

5. **This warranty gives You specific legal rights. You may also have other rights, which vary from state to state and country to country. The terms of this warranty do not exclude such rights or limit them. Your statutory rights are unaffected. Some states and countries do not allow (i) exclusions of, or limitations on, certain liabilities or warranties, including but not limited to how long a warranty lasts, the exclusion or limitation of incidental or consequential damages, or the exclusion of liability for injury (including death) caused by negligence, (ii) the inclusions of certain asymmetrical terms in warranties, or (iii) the expiration of all legal claims after a fixed time, so certain of the above limitations, exclusions or asymmetrical terms may not apply to You depending on the relevant jurisdiction. If adjudged invalid, such term(s) would be severable without affecting the validity of the other terms.**

6. **Creative does not warrant uninterrupted or error-free operation of the Product. Creative is not under any obligation to support the Product for all operating environments, including but not limited to, interoperability with both current and future versions of software or hardware.**
7. **For Products that are capable of storing data: Creative is not responsible or liable for any data stored on the Product that is lost, deleted or becomes otherwise inaccessible. \*\* A seller in the European Union (EU) may be entitled to refuse to repair or replace the goods if it is (i) impossible or (ii) disproportionate (eg. where the costs are unreasonably high for the seller) to do so, taking into account the value the goods would have had (if there were no lack of conformity), the significance of the lack of conformity and where an alternative remedy would be completed without significant inconvenience to the consumer. In such cases, the consumer may ask for an appropriate reduction of the price or have the contract rescinded. The consumer is not entitled to have the contract rescinded if the lack of conformity (or defect or fault) is minor. In which case, the seller is entitled to turn down a request for rescission of the contract in such a situation. For further details, please refer to Articles 3(3), 3(5) and 3(6) of the EU Directive 1999/44/EC.
