

SAFETY INFORMATION

Product Name: WLX Acrylic Spray Paint, 400 ml (10-Color Set)

Category: Spray Paint / Aerosol Paint

Intended Use: Decorative and protective surface coating

Country of Manufacture: Romania

Model / Variant: 10-Color Set, 400 ml Each

Product Type: Aerosol Spray Paint (Propellant-Driven)

1. Product Description

WLX Acrylic Spray Paint is a fast-drying, solvent-based acrylic spray paint designed for interior and exterior applications. It is suitable for use on wood, metal, stone, glass, walls, ceramics, and other compatible surfaces. The product is supplied in a pressurized aerosol can containing solvent-based acrylic paint and propellant gas.

2. Safe Use Instructions

Before Use

- Shake the can vigorously for at least 2 minutes before spraying.
- Ensure the surface is clean, dry, and free from dust, grease, or loose particles.
- Test spray on a small, inconspicuous area first.
- Use only in well-ventilated areas.

During Use

- Hold the can upright and spray from a distance of 20–30 cm.
- Apply in thin, even layers. Avoid heavy buildup.
- Do not inhale spray mist.
- Avoid spraying near fire, flames, sparks, or hot surfaces.
- Do not smoke while using the product.
- Protect eyes and skin from direct contact.

After Use

- Turn the can upside down and spray briefly to clear the nozzle.
- Store the product in a cool, dry place away from heat sources.
- Keep the cap tightly closed when not in use.

3. Safety Warnings (Aerosol Safety)

General Warnings

- Danger: Extremely Flammable Aerosol
- Pressurized Container: May Burst if Heated
- Keep out of reach of children.
- Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. No smoking.
- Do not pierce or burn the can, even after use.
- Do not expose to temperatures exceeding 50°C (122°F).
- Do not spray on an open flame or other ignition source.
- Avoid breathing vapors/spray mist.
- Use personal protective equipment if required (gloves, mask, goggles).

Health & Safety

- May cause drowsiness or dizziness.
- Causes skin and eye irritation.
- Repeated exposure may cause dryness or cracking of the skin.
- If swallowed, immediately seek medical advice and show the container.
- If any irritation occurs, discontinue use and consult a physician.

4. First Aid Measures

Inhalation: Move to fresh air. Keep the person at rest. Seek medical advice if breathing difficulties occur.

Skin Contact: Wash with soap and water. Remove contaminated clothing.

Eye Contact: Rinse carefully with clean water for several minutes. Remove contact lenses if present and easy to do. Seek medical attention if irritation persists.

Ingestion: Do not induce vomiting. Rinse mouth. Contact a doctor immediately.

5. Fire Safety

Highly flammable contents and propellant.

In case of fire: use dry powder, CO₂, or foam extinguishers.

Do NOT use water jets directly on the spray can.

6. Storage & Handling

- Store in a cool, well-ventilated place away from sunlight.
- Do not expose to temperatures above 50°C.
- Keep away from ignition sources.
- Store out of reach of children and pets.

7. Disposal Instructions

- Dispose of empty cans according to local regulations for hazardous waste.
- Do not puncture or burn cans, even when empty.
- Do not release into the environment.

8. Materials & Substances

- Solvent-based acrylic resin
- Organic pigments
- Additives for flow and durability
- Propellant gas: Hydrocarbons (propane/butane blend)

This product does NOT contain:

- **Heavy metals**
- **Lead-based pigments**
- **Formaldehyde**
- **Silicon oils**

9. Compliance & Regulations

This product complies with applicable requirements of the EU General Product Safety Regulation (EU) 2023/988.

Additional compliance elements:

- Aerosol Dispenser Safety Requirements
- CLP (Classification, Labelling & Packaging) Regulation
- REACH requirements for restricted substances

The product is not classified as a toy and is intended strictly for general consumer/professional decorative use.

10. Intended Users

Adults and trained hobbyists

Not suitable for children

Not designed or marketed as a children's product or toy

11. Age Restriction

Recommended Minimum Age: 14+

(Required for all solvent-based spray paint products)

12. Responsible Person Declaration

I declare under my responsibility that this Safety Information Document has been prepared to comply with the requirements of the EU General Product Safety Regulation and accurately reflects the safe use, risks, and safety instructions associated with the product.
