

# USER NOTES

Dear Customer,

Thank you so much for purchasing this HBM2200 multi functional welder from us.

Here are two notes for you:

**1. If you want to use 110v, you will need to use the adapter (L6-30R) below:**

**2. If you need to weld Aluminum, please do remember graphite wire feeding tube below:**

If you need this adapter or have any problem when using this machine, please contact us, we will send you a free adapter and try our best to fix all problems.
