Setting up your Google Wifi points

1 ⚡

Plug in the first Google Wifi point

Plug a power adapter into any included point and wall outlet. Connect the point to your modem* with the Ethernet cable.

2 ⬇

Get the Google Home app

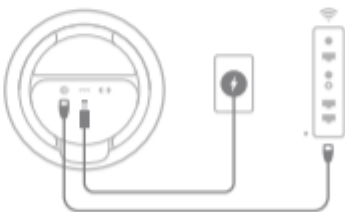

3 +

Set up your devices

Tap + in the Google Home app to add the point. Follow on-screen steps to add the other points and finish setup.

* Box from your service provider that brings Internet to your home

Point setup

What's included

Google Wifi point x 3

Power adapter x 3

Ethernet cable
