Usage Instructions:

- The blanket comes in a compressed package for shipping and storage. The fibers may appear less fluffy initially.
- After unpacking, gently shake the blanket to fluff up the fibers.
- Allow the blanket to rest for 24–48 hours for the fibers to fully regain their fluffiness.
- The blanket is not waterproof, avoid contact with liquids.

Care Instructions:

- Machine wash separately in cold water on a gentle cycle.
- Use mild detergent; avoid bleach.
- Tumble dry on low heat or hang to dry completely before use.

Safety Instructions:

- Keep away from fire or open flames.
- Avoid excessive pulling or tugging on the fibers to prevent damage.

Storage:

- Store in a dry place.
- Avoid compression for long periods to maintain fluffiness.
