

GPSR SAFETY INFORMATION SHEET – BIC Maxi J26 (GERMANY)

BIC Maxi J26 Disposable Lighter

Product Name: BIC Maxi J26 Disposable Lighter

Product Type: Gas-fuelled disposable lighter

Intended Use: Igniting candles, gas appliances, fireplaces, cigarettes, and similar applications.

General Product Safety Information (EU GPSR)

This product complies with the applicable European product safety requirements under the **General Product Safety Regulation (EU) 2023/988 (GPSR)**.

The product is manufactured and tested in accordance with:

- **EN 13869** – Child-resistant lighters – Safety requirements
- **ISO 9994** – Lighters – Safety specification and test methods

Safety Warnings

- **Warning – Fire Hazard:** This product produces an open flame. Improper use may cause fire, burns, or property damage.
- **Keep out of reach of children.** Child-resistant does not mean child-proof.
- **Keep away from face and clothing when igniting.**
- **Do not expose to heat above 50°C or prolonged direct sunlight.**
- **Do not puncture, crush, refill, or dispose of in fire.** Risk of explosion due to pressurized flammable gas.
- **Ensure flame is completely extinguished after each use.**
- **Use only for intended purposes.**

Storage & Handling

- Store in a cool, dry place.
- Keep away from heat sources, sparks, and open flames.
- Use only in well-ventilated areas.

Disposal

Dispose of the empty lighter in accordance with local waste regulations. Do not incinerate.
