

SABRENT USB TYPE A TO 4-PORT USB 3.0 HUB WITH INDIVIDUAL POWER SWITCHES AND LEDS

Connect the power adapter to the hub, then to a power outlet

Connect USB Type A Hub with Computer

Press square button directly above USB port to turn on
(Blue LED light will illuminate when powered on.)

At this point, the USB 3.0 Hub is completely installed - no software drivers are needed to complete the installation.

Thank you for choosing Sabrent and enjoy!
