

User Manual – Car Multimedia System with Apple CarPlay & Android Auto

1. Product Overview

- This multimedia system is designed for in-car use and provides:
- Cordless Apple CarPlay and Android Auto
- Bluetooth hands-free calling & music streaming
- High-definition IPS touch display
- GPS navigation support (via CarPlay/Android Auto)
- USB / Wi-Fi connectivity

2. Safety Information

Please read carefully before installation and use:

- Driving Safety
- Do not operate the screen while driving. Use voice control (Siri/Google Assistant) whenever possible.
- Always park your vehicle in a safe place before adjusting system settings.

Installation

- Installation should be carried out by a qualified professional.
- Ensure all cables are securely connected and do not obstruct driving functions (e.g., pedals, airbags).
- Usage Precautions
- Keep away from direct water, fire, or strong impacts.
- Do not disassemble, modify, or repair the unit yourself.
- Use only certified accessories (USB cables, antennas, etc.).
- Children Safety
- Do not allow children to operate the system unsupervised.
- Small parts may present choking hazards.

3. Basic Operation

- Power On/Off: The system powers on automatically when the car is started.
- CarPlay/Android Auto: Connect your phone via USB or wireless (Bluetooth + Wi-Fi) to enable.
- Touchscreen Controls: Use the capacitive touchscreen for navigation, calls, music, and apps.
- Steering Wheel Controls (if supported): Can be integrated during installation.

4. Maintenance

- Clean screen with a soft, dry microfiber cloth only.
- Do not use chemicals, alcohol, or abrasive cleaners.
- If the device malfunctions, disconnect power and contact your dealer.
- 5. Technical Specifications (Example)
- Display: IPS HD Touchscreen
- System: Android 14
- Wireless CarPlay & Android Auto supported
- Connectivity: USB / Bluetooth / Wi-Fi

6. Disposal Information

This product must not be disposed of with household waste. Please recycle according to local electronic waste regulations.
