

Purolator Product Warranty

Purolator filters are warranted to be free from manufacturer's defects in material, workmanship or design in accordance with the terms and conditions described below. Purolator automotive filters are manufactured to high quality standards and guaranteed to meet fit, form and function in accordance with Society of Automotive Engineers (SAE) and International Organization for Standardization (ISO) test procedures.

This limited warranty is effective for the number of miles and driving severity published in the owner's vehicle manual as the recommended service interval for filter replacements ("Warranty Period"). Purolator will replace, free of charge, any Filter which, under normal conditions of use, is proven to be defective in material or workmanship and is within the Warranty Period. If Purolator further determines, in its sole discretion, that the alleged defective Filter caused engine damage during the Warranty Period, Purolator will also repair or replace any damaged engine parts.

New car warranties remain in effect when Purolator filters are used in accordance to the engine manufacturer's change intervals.

THIS LIMITED WARRANTY DOES NOT COVER misapplication, misinstallation and damages or failure caused by rust or corrosion. THIS LIMITED WARRANTY IS VOID under the following circumstances:

- Use of motor oil other than the viscosity and type as recommended in the owner's vehicle manual;
- Damage or failure caused by misuse, negligence, modification, accidents or abuse;
- Damage or failure caused by unauthorized service or use of unauthorized parts; and
- Filters which are submitted in a condition that prohibits testing to validate any alleged defect or malfunction.

Claims for engine repairs provided under this warranty must be submitted within 30 days after discovery of damage. Purolator Technical Services Department reserves the right to examine the engine and filter to determine the amount of damage and whether it was caused by a defective Purolator filter. This warranty DOES NOT COVER any product that has been subjected to misuse, neglect, negligence or accident, or that has been improperly maintained, operated or installed. The warranty DOES NOT APPLY to any damage to the product that is the result of rust or corrosion.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WHICH ARE EXPRESSLY EXCLUDED. PUROLATOR SHALL NOT BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES RESULTING FROM OR CAUSED BY THE USE, OPERATION, FAILURE OR DEFECT OF ANY PUROLATOR FILTER.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state.
