IMPORTANT SAFEGUARDS

Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.

When using the product, basic safety precautions should always be followed to reduce the risk of injury including the following:

- Do not use this product if it is damaged, or worn.
- Replace the filter every 12,000 miles (19,000 km) or once a year, whichever comes first.

Before First Use

- Check the product for transport damages.

⚠ DANGER Risk of suffocation! Keep any packaging materials away from children – these materials are a potential source of danger, e.g. suffocation.

Installation

NOTICE Refer to the service manual of your vehicle when installing the product. Typically the air filter is placed behind the glove compartment on the passenger side of the vehicle.

To verify if this filter fits your vehicle, go to “Amazon Your Garage” and add your vehicle.

www.amazon.com/gp/your-garage

- This product should be installed only by an experienced adult. If in doubt, consult a professional.
- Open the glove compartment.
- Remove the stoppers on both sides to allow the glove compartment to hang freely on the hinges.
- Remove the screws to take out the glove compartment assembly.
- Release the retainer and remove the cover from the cabin filter.
- Remove the old filter from the assembly, taking note of the air flow arrow on the side of the old filter.
- Insert the product (new filter) into the assembly. The air flow direction must be accordingly to the air flow arrow on the product.

- Reassemble back the glove compartment according to the vehicle's service manual.

NOTICE Record the date and mileage every time you change the air filter, so you will know when it's due for another change.

NOTICE Maintaining a clean air filter is a simple way to improve air quality. It also helps to support the efficiency of the heating and cooling systems.

Cleaning and Maintenance

Cleaning

This filter should always be replaced, never cleaned. Do not clean and do not reuse this filter.

Storage

Store the product in a cool and dry place away from children and pets, ideally in its original packaging.
