

Product Guide for Soundcore Life Q30/Q35

Replacement Earpads

Instructions for use:

- Gently pull the old ear pad off the headphones.
- Place the new ear pad on the headphones and gently press to ensure it is securely attached.

Safety Information:

- Please use the replacement ear pads only for their intended purpose.
- Make sure the headphones are positioned correctly during use to minimize the risk of hearing damage.
- Warning Signs:
- Be careful not to pull or twist the replacement ear pads excessively as this may damage them.
- Do not forcibly remove the replacement ear pads from the headphones.

Technical specifications:

- Material: Memory Foam + Protein Leather
- Inner memory foam to improve noise reduction
- Outer protein leather (artificial leather) for extremely soft leather surface
- Size: 10.5*8*2cm
- Color: Black

Maintenance and cleaning instructions:

- To ensure the longevity of the replacement ear pads, we recommend cleaning them regularly to remove dirt and dust.
- To do this, use a clean, dry cloth or a soft brush.

Troubleshooting Guidelines:

- If the replacement ear pads are not properly attached to the headphones or do not fit properly, verify that they are seated correctly and reattach them.

Compliance Information:

- The replacement ear pads comply with relevant EU safety, health and environmental regulations.

- The replacement ear pads are specifically designed and compatible for the Soundcore Life Q30/Q35 Headphones.
- Package includes 1 pair of Soundcore Life Q30/Q35 Ear Pads.
