

## FAQ

Can I attach a headboard and a footboard to my SmartBase? >

You can attach a headboard to all of the Zinus SmartBases using the SmartBase headboard brackets. A footboard is not applicable for this product.

What is the difference between the Deluxe, Elite and Premium SmartBase? >

There are subtle but noticeable differences in our SmartBase options with respect to under-bed clearance and overall structure height. Elite: Made with heavy duty steel 14-inches high with 13-inch clearance. Deluxe: 2 non-slip pads are included for stability 16-inches high with 15-inch clearance. Premium: 18-inches high with 17-inch clearance.

Is the SmartBase® easy to move and store? >

SmartBase® frames are compact and can be folded up easily for moving, storing, and traveling!
