

## • **CARE INSTRUCTIONS**

- Try and use a tablecloth or any thick quality cloth on your dining table or any other table which is subject to daily and heavy use
- Do not keep warm or cold items directly on a furniture surface; instead use a hot pad or coasters; please do not keep hot items like a tawa or baking dish even on a hot pad
- To protect your furniture from fading, avoid keeping your furniture next to windows and other places where it can be exposed to direct sunlight
- To avoid minor scratches which may hamper the finish of your furniture avoid sliding or passing items placed on your table top
