

Product Warranty

All registered Ample Scientific products are protected under one-year limited warranty.

We strongly encourage all Ample Scientific customers to register their purchased product, and this may be done via '\Customer Service Card\' included with product or online via Product registration. Upon completion of the registration process, customer will receive a Product Warranty Card stating registered product and warranty terms.

Warranty Terms:

Ample Scientific LLC warrants to the original end user customer of its registered product free from defects in materials and workmanship. Subject to the conditions and limitation set forth below, Ample Scientific will, at option, either repair or replace any part of its products that prove defective by reason of improper workmanship or materials. Repaired parts or replacement product will be provided on an exchange basis. This limited warranty does not cover any damages to products as result from improper installation, accident, abuse, misuse, natural disaster, insufficient or excessive electrical supply, abnormal mechanical or environmental conditions, or any unauthorized disassembly, repair, or modification. Ample Scientific\'s limited warranty also does not apply to any product on which the original identification has been altered, obliterated or removed, has not been handled or packaged correctly, or has been sold second-hand. Ample Scientific limited warranty covers only repair, replacement, refund, or credit for defective Ample Scientific products, as provided above. Ample Scientific is not liable for nor cover under warranty, any loss of data or costs associated with determining the source of problems or removing, servicing, or installing Ample Scientific products.
