Thank you for buying the Dékor Cloth Diaper Pail Liner.  
Here are some simple steps for using it.

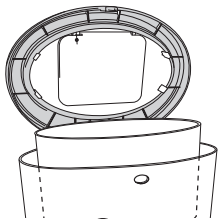

**1**

Press the Front Button to release the Top Frame.

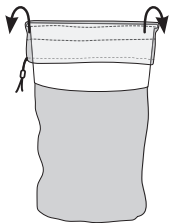

**2**

Open Top Frame and lift out the Cartridge.  
(New pails ship with a disposable liner. Simply lift this liner off the cartridge.)

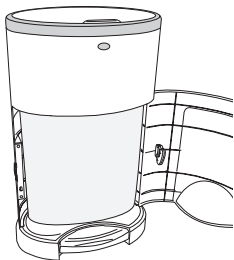

**3**

Simply pull the Liner up through the Cartridge and fold the band of double fabric over the top edge of the Cartridge.

**4**

Put the Cartridge with the Cloth Liner back into pail, close the Top Frame and Service Door. You are done!

**USER TIP:** You might find it easier to use the Dékor pail with cloth diapers if you remove the Diaper Insert for easier Step and Drop functionality. Refer to the label on the inside of your Dékor Service Door for instructions on removing the diaper insert.

**PRODUCT CARE:** Machine Wash, Line Dry. Do not Bleach. DO NOT TUMBLE DRY. For best results, turn liner inside out before washing. 100% Polyester Fabric with Polyurethane Coating
