

Nelson Warranty
Your RAINTRAIN Traveling Sprinkler
is warranted for two (2) years.

In the event of such defects, Nelson will repair or replace, at its option, the product or the defective part. This warranty does not extend to damage to a Nelson product or part resulting from accident, misuse, alteration, neglect, abuse, improper installation or normal wear and tear to the exterior appearance and color. This warranty extends only to the original use of the Nelson product. This warranty does not extend to cover losses suffered to plants, animals, landscaping or increased water usage in the event of a defect or malfunction. If a defect arises in a Nelson product or part within the warranty period, contact your Nelson Retailer, Distributor, or Robert Bosch Tool Corporation. Nelson may, at its option, require the product or part to be returned to a Nelson service point or your retailer or distributor. Nelson will determine whether the claimed defect is covered by the warranty.

If covered by warranty, the product will be repaired or replaced. Please allow 4-6 weeks for completion of repairs or replacement and return of the product or part. If a product or part is replaced, the replacement is warranted only for the remainder of the original or part warranty period.

This warranty gives you specific legal rights and you may also have other rights that vary from state to state. Robert Bosch Corporation does not authorize any person to create for it any other obligation or liability in connection with Nelson products.

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.
