

## Warranty Policy

This Limited Lifetime Warranty is offered by Klymit and applies to Klymit branded products (the “Covered Products”). Covered Products are warranted to be free from defects in materials and workmanship for the lifetime of the Covered Products. Klymit will repair or replace with an item of equivalent value, at its option, any Covered Product or component part which is found to be defective under normal use and service, without charge, and within a reasonable amount of time after notification and delivery of the Covered Product (as set forth below), for the lifetime of the Covered Products. The life of the Covered Product means the life of the materials and components of the product. While Klymit uses the very best materials and components for its products, all materials and components eventually wear out with use and exposure over time. A Covered Product’s life is therefore measured by how much use it gets and how well it is cared for -- not its overall age.

This warranty is limited to the original owner of the Covered Product and is not transferable. If the Covered Product was not purchased new from Klymit or an authorized retailer this warranty is null and void. In order to be eligible for service or replacement under this warranty, the original owner must provide valid proof of purchase (e.g., a dated sales receipt). With respect to such Covered Products, this warranty supersedes any and all other warranties.

This warranty does not cover normal maintenance and service, ordinary wear and tear, and does not apply to any Covered Products or component parts which have been lost or stolen; or subject to commercial use, corrosion, misuse, neglect, intentional damage, carelessness, accident; unauthorized or improper disassembly, adjustments, modifications, or repairs made or attempted by anyone other than a qualified Klymit employee authorized procedures; or as a result of failure to follow the Cov

THIS WARRANTY IS IN LIEU OF ANY AND ALL OTHER WARRANTIES FOR THE COVERED PRODUCTS, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. KLYMIT'S LIABILITY SHALL UNDER NO CIRCUMSTANCES EXCEED THE ACTUAL RETAIL AMOUNT PAID BY THE OWNER OF THE DEFECTIVE COVERED PRODUCT OR COMPONENT PART. KLYMIT SHALL NOT BE LIABLE FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES WITH RESPECT TO ECONOMIC LOSS, INJURY, DEATH OR PROPERTY DAMAGE, WHETHER AS A RESULT OF BREACH OF THESE WARRANTIES, NEGLIGENCE OR OTHERWISE, EVEN IF IT HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES.

Some jurisdictions do not allow the exclusion or limitation of implied warranties and/or incidental or consequential damages, so the above limitations or exclusions may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.

This warranty is only valid for residents of the United States. For residents of other countries, please contact the local authorized Klymit products dealer or Klymit Customer Service for assistance.
