### How Consumer Rights Affect this Plan

THE BENEFITS CONFERRED BY THIS PLAN ARE IN ADDITION TO ALL RIGHTS AND REMEDIES PROVIDED UNDER APPLICABLE CONSUMER PROTECTION LAWS AND REGULATIONS. THIS PLAN SHALL NOT PREJUDICE THE RIGHTS GRANTED BY APPLICABLE CONSUMER LAW, INCLUDING THE RIGHT TO RECEIVE REMEDIES UNDER STATUTORY WARRANTY LAW AND/ OR TO SEEK DAMAGES IN THE EVENT OF THE NON-PERFORMANCE BY APPLE OR SERVIFY OF ANY OF ITS CONTRACTUAL OBLIGATIONS.

### 1. The Plan

These T&Cs governs the services provided by Apple under the above plans and includes the terms in this Plan, your Plan Confirmation (“**Plan Confirmation**”), and the original sales receipt for your Plan. Your Plan Confirmation will be provided to you at the time of purchase or sent to you on your registered email ID or provided to you by the seller of the plan (“**Reseller**”) or Servify, depending on the channel of your purchase from the Reseller.

Benefits under this Plan are additional to your rights under applicable laws, the manufacturer's hardware warranty and any complimentary technical support. The terms of the Plan apply as stated below whether paid for on a one-time basis (“**Single-Pay Plan**”) or a monthly basis (“**Monthly Pay Plan**”) to a financier who may offer the plan on EMI unless otherwise noted.

The Plan covers the following equipment (collectively, the “**Covered Equipment**”):

- (i) the AirPods, Apple TV, Apple Watch, Beats device, HomePod, iPad (including one Apple Pencil, and/or one Apple Pencil Pro, and/or one Apple-branded iPad keyboard purchased with your iPad, to be used with, and compatible with, your covered iPad, referred to as “**iPad Input Devices**”), iPhone, or the Apple- branded Mac computer or display (including any Apple- branded stand and/or VESA mount included with or purchased at the same time as your Apple- branded display), and the Apple-branded accessories contained inside the original packaging (“**Covered Device**”), and
- (ii) an Apple-branded mouse, Magic Trackpad, and/or Apple-branded keyboard if included with the Covered Device (or purchased with a Mac mini, Mac Pro, or Mac Studio), an Apple-branded VESA mount and/or stand if included or purchased with a Mac Covered Device, Apple memory modules (RAM) and Apple USB SuperDrive (“**Mac Accessories**”) if purchased with the Covered Device, and
- (iii) the accessories contained inside the original packaging of your Covered Device. The Covered Equipment must have been purchased new from Apple or an Apple Authorised Reseller, or replaced by Apple under its Limited Warranty and still be covered by its Limited Warranty at the time of plan purchase. Covered Equipment includes any replacement product provided to you by Apple under Sections 2.1, 2.2, and/or 2.3 of this Plan.

Coverage begins when you purchase the Plan (“**Plan Purchase Date**”), unless cancelled, through the date (“**Coverage End Date**”) specified in your Plan Confirmation (the “**Plan Term**”).

You may see an extended Plan Term on interfaces including but not limited to [checkcoverage.apple.com](https://checkcoverage.apple.com), coverage details in the Settings App on your Covered Device or Apple Support App, however, the coverage beyond the Plan Term as per your Plan Confirmation is subject to successful renewal of the Plan before the Coverage End Date, by payment of applicable renewal fees. Renewal may not be offered for certain devices based on the eligibility criteria prevailing at the time of renewal. Servify will determine the renewal eligibility criteria for your Covered Device.

You can find the price of the Plan on the original sales receipt as provided by the Reseller from whom you have purchased your Plan.

This Plan is intended to and does only apply to your Covered Equipment. This Plan is not for your commercial use and may not be used by you in furtherance of any financial gain including, but not limited to, seeking service for devices owned by others and which are not covered by this Plan. For the avoidance of doubt, other than as provided under Section 9, you may not sell, transfer, subcontract, delegate, or assign any of your rights under this Plan.

## 2. What is Covered?

### 2.1 Hardware Services for Defects or Consumed Battery (“**Hardware Service**”)

Hardware Service is provided if, during the Plan Term, you submit a valid claim by notifying Apple that a defect in materials and workmanship has arisen in the Covered Equipment or, in relation to Covered Equipment which uses an integrated rechargeable battery, that the capacity of the Covered Device's battery to hold an electrical charge is less than eighty percent (80%) of its original specifications. See Section 2.3 for Hardware Service fulfillment details. **Exclusions to Hardware Service coverage under this Plan apply as described in Section 3.**

### 2.2 Services for Accidental Damage from Handling (“**ADH Service**”)

ADH Service is provided if, during the Plan Term, you submit a valid claim by notifying Apple that the Covered Device has failed due to accidental damage from handling resulting from an unexpected and unintentional external event (such as, drops and damage caused by liquid contact on iPhone, iPad, Apple Watch, AirPods, HomePod and liquid contact from spills or Mac computers and displays) (“**ADH**”). The damage must affect the functionality of your Covered Device. See Section 2.3 for ADH Service fulfillment details. **Exclusions to ADH Service coverage under this Plan apply as described in Section 3.**

### 2.3 Fulfillment of Hardware Coverage and ADH Services

If during the Plan Term, you submit a valid claim for Hardware Service or a valid claim for ADH Service, Apple will, at its discretion, either: (i) repair the defect using new parts or previously used genuine Apple parts that have been tested and have passed Apple functional requirements, or (ii) exchange the Covered Equipment with a replacement product that is new or comprised of new and/or previously used genuine Apple parts that have been tested and have passed Apple functional requirements.

Service for ADH is subject to your payment of the service fee described below. Each ADH Service you receive is a “**Service Event**,” subject to the service fees described below.

If Apple exchanges the Covered Device, all replacement products provided under this Plan will have the same or substantially similar features (e.g., a different model, or the same model in a different colour, with the same or enhanced technological features or capabilities) as the original Covered Device, or at Apple’s option, the replacement product will be the same or more recent model but with different technological or functional features or capabilities as the original Covered Device. If Apple exchanges the Covered Device, the original product becomes Apple’s property and the replacement product is your property with coverage effective for the remainder of the Plan Term.

Apple may use the Covered Device or replacement parts for service that are sourced from a country that is different from the country from which the Covered Device or original parts were sourced. Apple’s decision on eligibility of Hardware Service or ADH Service under this Plan, will be final and binding. **Exclusions apply as described in Section 2.4 and Section 3.**

#### 2.4 Service Fees and Service Events

**Each time you receive services for ADH is a “Service Event”. You are eligible to receive unlimited Service Events for your Covered Device while the Plan is active, up to the date the Plan is cancelled or otherwise terminated. Requests for Service Events submitted and received by Apple after the Plan has been cancelled or terminated will not be covered by the Plan.**

A Covered Device with additional damage will be charged the price of the Tier 2 ADH Service Event.

Please note that if you seek service under this Plan in a country other than India, the service fee or local equivalent fee may need to be paid in that country's currency and at that country's applicable rate.

#### 4. How to Obtain Service and Support?

You may obtain service or Technical Support by reaching out to Apple Support via Call or Chat or visiting any Apple Authorised Service Provider.

You must provide your Plan Agreement Number or Covered Device serial number. You must also, upon request, present your Plan Confirmation, and the original sales receipt for your Covered Device and your Plan.

#### 5. Service Options

Hardware or ADH Service will be provided to you through one or more of these options:

(a) **Carry-in service.** Carry-in service is available for most Covered Equipment. Return the Covered Equipment to an Apple-owned retail store location or to an Apple-Authorized Service Provider (“**AASP**”) that offers carry-in service. Service will be performed for you at the store or AASP, as the case maybe. Further, the store, or the AASP may send the Covered Equipment to an Apple Repair Service (“**ARS**”) site for service. You must promptly retrieve the Covered Equipment, upon You being notified of the completion of service by the AASP or the store, as the case maybe.

(b) **Pickup and delivery repair service.** If Apple determines that your Covered Equipment is eligible for pickup and delivery repair service, Apple will arrange to pick up your Covered Equipment. Once service is complete, Apple will return the Covered Equipment or a replacement device or part to you. Apple will pay for pickup and delivery to and from your location if all instructions are followed. Pickup and delivery repair service eligibility is determined by Apple Support when you call them to obtain service options. Mac-computers and Apple Display products are not eligible for pick-up and delivery service.

(b) **Onsite service.** Onsite service is available for many desktop and portable computers as well as for the Apple-branded display if the location of the Covered Equipment is within an 80 kilometres radius of an Apple Authorized Onsite Service Provider. Certain parts are not eligible for onsite service. If Apple determines that onsite service is available, Apple will dispatch a service technician to the location of the Covered Equipment. Service will be performed at the location, or the service technician will transport the Covered Equipment to an AASP or **ARS** location for repair. If the Covered Equipment is repaired at an AASP or an ARS location, Apple will arrange for transportation of the Covered Equipment to your location following the service. If the service technician is not granted access to the Covered Equipment at the appointed time, any further onsite visits may be subject to an additional charge.

(c) **Mail-in service.** Direct mail-in service is available for most Covered Equipment and portable computers. If Apple determines that your Covered Equipment is eligible for mail-in service, Apple will send you prepaid waybills (and, if needed, packaging material). You must ship the Covered Equipment to an ARS site in accordance with Apple’s instructions. Once service is complete, the ARS site will return the Covered Equipment to you. Apple will pay for shipping to and from your location if you follow all instructions.

The method by which repair or replacement service is provided to you and your Covered Equipment may change from time to time.

Service will be limited to the options available in the country where you request service. Service options, parts availability and response times may vary. If service is not available for the Covered Equipment in a country that is not the country of purchase, you may be responsible for shipping and handling charges to facilitate service in a country where service is available. If you seek service in a country that is not the country of purchase, you must comply with all applicable import and export laws and regulations and be responsible for all custom duties, V.A.T. or G.S.T. and other associated sales taxes and charges. For international service, Apple may repair or exchange products and parts with comparable products and parts that comply with local standards.

#### 6. Your Responsibilities

To receive service or support under the Plan, you agree to (i) provide a copy of your Plan's original proof of purchase, (ii) provide information about the symptoms and causes of the issues with the Covered Equipment, (iii) respond to requests for information needed to diagnose or service the Covered Equipment, (iv) follow instructions Apple or AASP gives you, (v) update software to currently published releases prior to seeking service, and (vi) back up software and data residing on the Covered Equipment.

DURING HARDWARE SERVICE, APPLE MAY DELETE THE CONTENTS OF THE COVERED EQUIPMENT AND REFORMAT THE STORAGE MEDIA, AND REINSTALL THE COVERED EQUIPMENT'S ORIGINAL SOFTWARE CONFIGURATION AND SUBSEQUENT UPDATE RELEASES, WHICH WILL RESULT IN THE DELETION OF ALL SOFTWARE AND DATA THAT RESIDED ON THE COVERED EQUIPMENT PRIOR TO SERVICE. Apple will return your Covered Equipment or provide a replacement as the Covered Equipment was originally configured, subject to applicable updates. Apple may install OS or MacOS (as the case may be) updates as part of hardware service that will prevent the Covered Equipment from reverting to an earlier version of the OS or MacOS (as the case may be). Third-party applications installed on the Covered Equipment may not be compatible or work with the Covered Equipment as a result of the OS or MacOS (as the case may be) update. You will be responsible for reinstalling all other software programs, data, and passwords.

## **7. Limitation of Liability**

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, SERVIFY AND APPLE AND ITS EMPLOYEES AND AGENTS WILL UNDER NO CIRCUMSTANCES BE LIABLE TO YOU OR ANY SUBSEQUENT OWNER OF THE COVERED EQUIPMENT FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO THE COSTS OF RECOVERING, REPROGRAMMING, OR REPRODUCING ANY PROGRAM OR DATA OR THE FAILURE TO MAINTAIN THE CONFIDENTIALITY OF DATA, ANY LOSS OF BUSINESS, PROFITS, REVENUE OR ANTICIPATED SAVINGS, RESULTING FROM THEIR OBLIGATIONS UNDER THESE T&Cs OR PLAN. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE LIMIT OF SERVIFY AND APPLE AND ITS EMPLOYEES' AND AGENTS' LIABILITY TO YOU AND ANY SUBSEQUENT OWNER ARISING UNDER THESE T&Cs OR PLAN SHALL NOT EXCEED THE ORIGINAL PRICE PAID FOR THE PLAN.

ANY SERVICE UNDER THESE T&Cs OR PLAN DOES NOT WARRANT THAT (i) COVERED EQUIPMENT WILL BE REPAIRED OR REPLACED WITHOUT RISK TO OR LOSS OF PROGRAMS OR DATA, (ii) MAINTAINING THE CONFIDENTIALITY OF DATA, OR (iii) THE OPERATION OF THE PRODUCT WILL BE UNINTERRUPTED OR ERROR-FREE.

If local law permits and Servify cancels this Plan for the unavailability of service parts, you will receive a pro-rata refund for the Plan's unexpired term.

## **8.2 Effect of Cancellation**

Upon the effective date of your cancellation, any future obligations under this Plan to you are fully extinguished.
