

# Warranty

Because Quasar engineers, manufactures, sells, and services all our own devices, this fosters a top notch customer service solution for you.

Start with a lifetime unconditional, unlimited warranty. If your Quasar tool stops working for any reason, other than physical abuse, we will fix or replace it free of charge in a timely fashion. We make our tools from solid billets of machined aluminum in order to be durable and long lasting and use top quality electronic components. We recognize, of course, that components can occasionally fail and that is why we offer our customers the lifetime warranty on all devices except the Clear Rayz which has a five year warranty. If you ever have a question about the operation, methods, or general use of our products, you have a direct toll free number. 800-944-1523 or outside the U.S. call 941-306-5812. When you need service or repair on one of our devices, simply call 800-944-1523 or outside the U.S. 941-306-5812.
