

- **Warnings and Precautions**

-
- Keep out of reach of children.
- Following the directions for use, first test the wax and oil wipe on a small patch of skin on the area you wish to treat. If after 24 hours there is no adverse reaction, proceed with full application.
- Do not swallow.
- Follow the directions.
- Suitable for fingers, toes and areas of the face such as chin, jawline and upper lip. NOT suitable for eyebrows, centre brow, male beard area, scalp, breast, perennial, or genital areas.
- Waxing may not be suitable for the elderly or diabetics.
- Do NOT use if you are on any medication which can affect the skin or if undergoing any of the following dermatological treatments: topical Retin A, skin peel, dermabrasion or laser resurfacing.
- Do NOT use on sunburnt, dry, flaky, broken or irritated skin, over warts, pimples, moles, varicose veins or wounds or if you have suffered an adverse reaction to waxes in the past.
- After use, always wait 24 hours before using antiperspirant, perfume or astringent lotion on the treated area.
- If you experience discomfort or burning sensation apply a cold compress to the area. If this sensation persists, seek medical advice.
- Store below 30°C/86°F.
