

Product Manual for 70mm Round Replacement Ear Pads

User Manual:

- Remove the old ear pads from your Sony MDR-V150, MDR-V300, MDR-ZX100, or MDR-ZX300 headphones.
- Attach the new Yizhet 70mm ear pads.
- Ensure that the ear pads are securely and correctly positioned.

Safety Information:

- Please only use the product as described in the user manual.
- The ear pads are made of memory foam and protein leather and should be avoided by individuals with allergies to these materials.

Technical Specifications:

- Material: Memory Foam + Protein Leather
- Size: 70 * 70mm / 2.75 * 2.75 inches, Thickness: 10mm / 0.39 inches
- Color: White
- Compatibility: Sony MDR-V150, MDR-V300, MDR-ZX100, MDR-ZX300
- Package Includes: 1 Pair of Round Replacement Ear Pads

Maintenance and Cleaning Instructions:

- The ear pads can be wiped with a damp cloth.
- Please do not use aggressive cleaning agents or chemicals as these may damage the material.

Troubleshooting Guidelines:

- If the ear pads do not fit properly or come loose, check to ensure they are properly positioned.
- If the ear pads are damaged, replace them immediately to ensure the best possible sound quality.

Conformity Information:

- The Yizhet 70mm ear pads comply with applicable EU directives and are CE marked.

Contact Information:

- For questions or concerns, please contact the manufacturer: Yizhet
