(Six-Year Limited Warranty Valid in USA Only)**

Only Tamron lenses imported officially by Tamron USA, Inc. and distributed by authorized Tamron USA, Inc. dealers carry a Six-Year Limited USA warranty.

Check Authenticity of Your Product:

You can check the authenticity of the product you have/plan to purchase by locating the silver hologram Tamron USA Authorized Dealer/Six-Year Warranty logo sticker on top of the lens box and/or by completing the [Tamron Online Warranty Registration](#). You may also call Tamron at 1-800-827-8880 to verify the serial number.

Look for this logo. Dealers not authorized by Tamron USA, Inc. cannot offer any warranty and cannot use this logo. All authorized Tamron USA dealers are requested to place this logo on their website; however, some dealers, even if authorized, may not have the functionality to add this logo to their website. We highly recommend that you check with the dealer or Tamron USA, Inc. to determine whether the dealer is authorized. You can find a list of authorized Tamron USA dealers by [clicking here](#) or by calling 1-800-827-8880.

The limited warranty set forth below is provided by Tamron USA, Inc. and is applicable to new Tamron Photographic Lenses purchased in the USA through an authorized dealer. Open box sales or used equipment do not apply. The Warranty shall not extend to anyone other than the original purchaser of the lens or the person for whom the lens was purchased as a gift. This Warranty is valid only in the Continental United States, Alaska, and Hawaii, and is valid only upon presentation of a valid proof of purchase from an authorized Tamron dealer (valid proof of purchase must be a dated bill of sale that includes price, model and serial number of lens and/or when fully completing Tamron's Online Warranty Registration at www.tamron-usa.com).

This Tamron lens is warranted against defective materials or workmanship for Six Years from the date of original purchase, and is limited to repair, adjustment and/or replacement of defective parts. This Warranty covers all defects encountered in normal use of the lens. This Limited Warranty does not cover normal wear and tear such as scratches, etc.

This Warranty does not apply to defects due to abuse, mishandling, tampering or removal of serial number, repair by a non-authorized agent, unsuitable storage, transport damage, sand damage, liquid damage, fungus damage, impact damage, or tampering.

This Warranty also does not cover defects due to the use of accessories, attachments, product supplies, parts or devices that do not conform to Tamron specifications. This Warranty does not cover lenses that have been serviced or modified by anyone other than Authorized Tamron Service Agents.

This Warranty gives you specific legal rights. You may also have other rights that vary from state to state.

ALL WARRANTIES IMPLIED BY LAW, INCLUDING MERCHANTABILITY, SHALL BE OF DURATION OF ONE YEAR FROM THE DATE OF PURCHASE. NO OTHER EXPRESS WARRANTY OR GUARANTY EXCEPT AS STATED ABOVE, GIVEN BY ANY PERSON, FIRM OR CORPORATION WITH RESPECT TO THIS LENS SHALL BE BINDING TO TAMRON. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU. NEITHER TAMRON NOR ANY OTHER PERSON, FIRM OR CORPORATION IS OR SHALL BE RESPONSIBLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES CAUSED BY THIS EQUIPMENT. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

Warranty Claim Instruction:

While the lens is under the term of this warranty, if you have a claim, please return the lens to the dealer where you purchased it. If that is not possible, return it to Tamron USA, Inc., New York. Include with the lens proof of purchase from an authorized Tamron dealer (valid proof of purchase must be a dated bill of sale that includes price, model and serial number of lens and/or warranty registration ID number assigned upon completion of Tamron's Online Warranty Registration at www.tamron-usa.com) and a description of the defect claimed. If you have an online warranty registration ID number, please include that number in your description. If Tamron determines your lens to be defective, we will repair or replace it at NO CHARGE.

If you would like to send in your lens for repair service, please include the "[equipment repair form](#)", and also include a copy of your sales receipt or your warranty confirmation number. If we determine that the warranty has been voided, we will notify you and give you a cost estimate. Please **DO NOT** include filters, hoods, or other accessories besides the front cap & rear cap. Please do not send your product box. Instead, we recommend wrapping your lens very well in several layers of bubble wrap so that it fits tightly and securely in your shipping box. You are responsible for the cost of shipping the lens to us for service, and we will cover the cost of returning the lens to you within the United States (we are not responsible for international shipping charges, duties, fees, etc.).

The Risk of Purchasing Gray Market Products:

In looking for our products, you may find that products not supplied through our regular channel are sold in your market. **Such products are generally called "gray-market products" and may involve quality problems.**

Interchangeable lenses are precision optical and mechanical products. Therefore, if handling during transportation or storage is not adequate, defects or malfunctions may occur. As for our products supplied through our regular distribution channel, meticulous care is taken in transportation and storage in order to ensure quality protection. However, in the case of gray-market products, it is more likely that they are handled inadequately during transportation or storage; are exposed to undesirable conditions such as high temperatures, vibration, shock, high humidity, dust, dirt and so on; or that they have been mixed up with used products since they are not under our strict control. Therefore, we are unable to warrant the quality of gray-market products.

Always look for Tamron products that are supplied through our authorized distribution channel. By purchasing Tamron products from an authorized dealer, you can ensure the quality of the product, which will be also covered by Tamron USA's Six-Year Limited Warranty, the only warranty accepted by Tamron USA, Inc. in the USA.
