## 2 Year Warranty

All products (unless specifically stated otherwise), carry an implied, above industry-standard 2 Year warranty against defects due to manufacturing or failure. Warranty does not include any use of the product that does not fall into the designed use of the product as intended by the manufacturer. For returns, customer assumes all costs in shipping to us and we assume all costs in shipping product back to the customer. All replacement/repaired products are shipped UPS Ground unless a rush is requested.

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.
